FOREST FIRE WARDEN'S REPORT.

Windham, N. H., Jan. 31, 1935.

Report of Forest Fire Warden:

In submitting my second annual report as part of the permanent records, I wish to thank all citizens and visitors for their support in the prevention and suppression of forest fires, altho the year 1934 proved to be much in excess of the previous year.

Once again let me stress the fact that no person shall kindle or cause to be kindled any fire in or near woodlands, pasture, brush, sprout, waste or cut-over land, or where the fire may be communicated to such land, except when the ground is covered with snow, without first obtaining written permission from the forest fire warden.

Camp Fires: When permission has been obtained from the land owner, camp or cooking fires may be kindled without permission of the forest fire warden, at suitable times and in suitable places, when they will not endanger woodlands. Build no fires on dry, windy days or when the woods are closed by proclamation.

Every person starting a fire which gets out of control is liable for the cost of extinguishing it, in addition to the penalty of violation and damage resulting.

SUPERINTENDENT'S REPORT

To the Windham School Board:—

A brief report is sufficient this year. The schools are in the hands of experienced teachers and are doing satisfactory work. Miss Winnifred Low unexpectedly sent her resignation to the Board in November and Mrs. Maria Webber, a trained teacher of long experience was elected to fill the vacancy: We were sorry to lose Miss Low but, since it was her wish, the resignation was accepted.

The financial report shows an increase of total expenditures for the current year ending June 30, 1935, this was caused by an increase in the items of repairs on the tower of the Searles School and an interior painting of the No. 6 school. This over-run is not excessive but it does cut down the anticipated cash balance which goes over into next years budget. In spite of this, however, a tax levy of \$6611.30 will be sufficient to balance the budget for the year beginning July 1, 1935 and end-

ing June 30, 1936.

In addition to the above there should be a special appropriation under Article 9 in the warrant for this coming School Meeting if the Board is authorized under that article to paint the exterior of the Searles School.

GEORGE H. WHITCHER,
Superintendent of Schools.
